

## MESSAGE FROM THE LORD MAYOR OF MELBOURNE

Welcome to Australia and to the great city of Melbourne!

Our city is well known for being one of the most open, tolerant and welcoming places in the world, with people from more than 230 countries, speaking more than 200 languages and dialects, and practicing 130 different faiths living here in harmony.

We are ready to make your stay with us very special and have developed a cultural program of over 150 events involving more than 90 different local cultural, retail, business, arts and sporting organisations.

You'll be able to indulge yourselves in our cafés, restaurants and amazing shopping precincts, admire our famous laneway art, visit our galleries and museums, or get along to see some of our world class sporting events.

I encourage you all to explore Melbourne and discover for yourselves why we are famous for being the world's most liveable city and Australia's cultural capital.
